Strategic Partnerships

- Breaking boundaries to bring the best for people of Mozambique.
- Building relationships of trust.
- Synergistically collaborate with globally reputed brands.
- The company holds a strategic partnership with reputed brands like Viatris and Sociedade Moçambicana de Medicamentos, SA (SMM)

Technology Transfer from Viatris for crucial and cutting-edge antiretroviral treatments for Mozambique and the region

FNM partnered with SMM to revitalise their manufacturing infrastructure through a joint venture company Infarma to manufacture OSDs and Parentels in Mozambique.
